This report is provided for informational purposes only and does not constitute an offer or solicitation to buy or sell any securities discussed herein to anyone in any jurisdiction where such offer or solicitation would be prohibited. The information contained in this report has been drawn from sources believed to be reliable but is not guaranteed to be accurate or complete. Alitis assumes no duty to update any information or opinion contained in this report. Unless otherwise noted, the indicated rates of return are the historical annual compounded returns for the period indicated, including changes in security value and the reinvestment of all distributions and do not take into account income taxes payable by any securityholder that would have reduced returns. The investments are not guaranteed; their values change frequently and past performance may not be repeated. Unless otherwise noted, risk refers to the annualized standard deviation of returns for the period indicated. All fund analytics, such as aggregated breakdowns and asset allocation, represent the approximate exposure to the underlying investments relevant to the analytic as of the date of this report.
